

Online Fundraising Collaborations: Processes and How-To for Peer to Peer Fundraising

- ***Peer-to-Peer Fundraising with Blackbaud's JustGiving platform (please allow two weeks for the entire process)***
 - **Below is a list of sections required to set up a JustGiving campaign; please provide the elements listed below for each section of your JustGiving campaign**
 - **Graphics should be provided at the correct sizes listed below, ready for upload**
 - **The Foundation reserves the right to edit any copy provided – you will have the opportunity to review any copy that is edited**
 - **Campaign Overview:**
 - Campaign Title: Max 100 characters
 - Campaign Description (a brief summary that will appear in search): Max 250 characters
 - Fundraising Target – optional (target may be hidden, if you choose)
 - Event Details – if your campaign is associated with an event (see details below)
 - Fundraising Pages – would you like to allow fundraisers to connect their fundraising pages to your campaign (we recommend a default of “yes”)
 - Donor Thank You Message: Max 500 characters – the Foundation has the following default message; you may use the default or create your own:

Hello!

San Mateo County Community Colleges Foundation thanks you for supporting students at Cañada College, College of San Mateo, and Skyline College.

The mission of the Foundation is to make sure that quality, affordable higher education is available to every member of our community. We provide funds to meet the most critical needs of students as they prepare for careers, transfer to four-year universities, and pursue lifelong learning goals.

Thank you for your support!
